Highlights of Sightseeing

The tour departs from Arashiyama Station on foot viewing autumn-colored mountains from Togetsukyo Bridge. Walk through the charming district of Arashiyama until reaching to the Saga Torokko Station. Then it is time to have a journey on Sagano Romantic Train. The journey takes approximately 25 minutes along the scenic Hozu Valley where you meet autumn leaves en route. Enjoy the nostalgic train carriage pulled by diesel locomotives. On the way back, experience the refreshing 2 hour Hozugawa River Boat Ride from Kameoka to Arashiyama. The boat goes down the winding river sometimes rapid and sometimes deep while passing mountains with autumn leaves or strange-shaped rocks. After having lunch back in Arashiyama, continue to the impressive Arashiyama Bamboo Grove. The atmosphere is nothing like other forests you have ever seen. Next to the Bamboo Grove is one of the major temple of Rinzai Buddhism, Tenryuji. World Heritage The 14th century Zen Garden is a must see as well as stunning autumn leaves. To conclude the tour, visit Hogonin which is a sub temple of Tenryuji and is a famous spot for autumn leaves. Keep the spectacular autumn foliage in your mind before terminating the tour back at Arashiyama Station.
